How many Level 3 sex offenders are released to approved addresses?

Level 3 offenders released in FY '05

N=154

Analysis

- Securing stable housing is still a challenge
- Homeless offenders are more difficult to supervise
- DOC Strategic Plan 2005-2011 goal is to reduce homeless releases to 40%

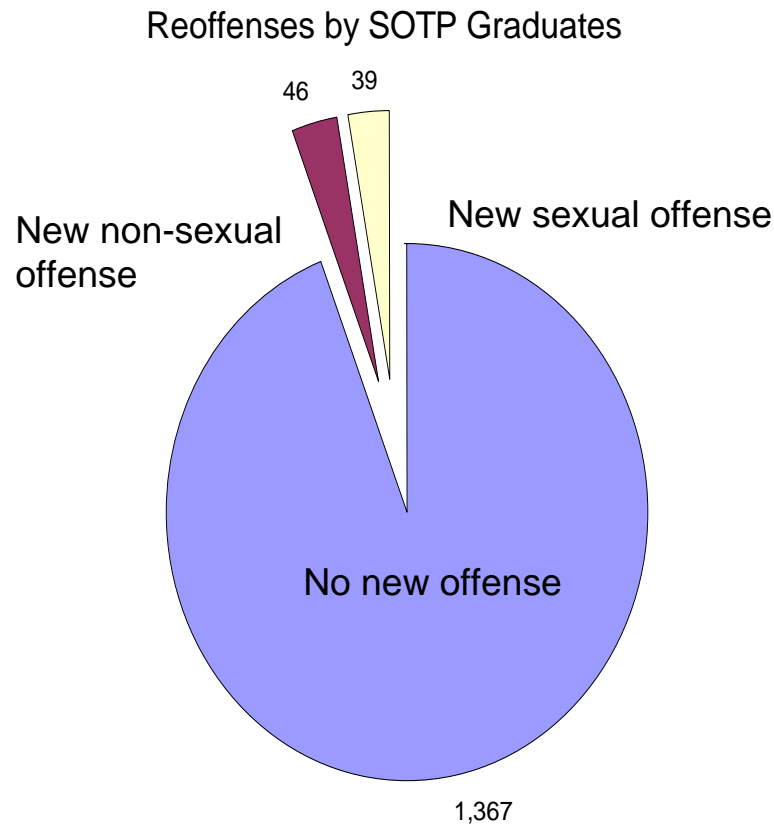

Action

- Continue to seek housing opportunities to enhance transition

Data notes: Transient is defined as releasing to hotel or other emergency housing such as a shelter.

Public Safety-DOC Supplemental

How many SOTP graduates have re-offended?

Analysis

- SOTP treated sex offenders are a low risk to re-offend
- Untreated sex offenders re-offend at a higher rate

Action

- Seek ways to increase treatment capacity
- Partner with the WSIPP on development of the current sex offender recidivism study

Data Notes: DOC internal tracking of 1988-2004 SOTP graduates who released to the community and were readmitted to a DOC facility for a new offense.
